

Serial No. 10/005,757

Amendments to the Claims.

A following listing of claims replaces all prior versions and listings of claims in this case.

Sub C17  
Claim 1 (currently amended): An extended text label for a tube container in combination, wherein a tube container includes a product dispensing end and a filling end opposite said product dispensing end, said filling end adapted to be sealed by a crimp method subsequent to filling said tube container with a selected product, wherein said label ~~including a crimp edge, wherein said crimp edge~~ is capable of being securely joined to said filling end of said tube container by way of said crimp method.

A1  
Claim 2 (currently amended): The ~~label~~ combination of claim 1, further including a pliable attachment tongue extending outwardly from said label such that said tongue ~~comprises in part said crimp edge of said label~~ is capable of being securely joined to said filling end of said tube container by way of said crimp method.

Claim 3 (currently amended): The ~~label~~ combination of claim 1, further including a tear off portion ~~provided along said crimp edge~~ for permanently removing said label from said tube container after

Serial No. 10/005,757

said ~~crimp edge~~ label has been securely joined to said filling end of said tube container by way of said crimp method.

A1 Claim 4 (currently amended): The label combination of claim 2, further including a tear off portion ~~provided along said crimp edge~~ for permanently removing said label from said tube container after said ~~crimp edge~~ label has been securely joined to said filling end of said tube container by way of said crimp method.

Claims 5-6 (withdrawn).
